

CURRICULUM VITAE

Name Anja C. Gysin-Maillart
 Academic title PhD / PD
 Position PD Dr. phil
 Senior psychologist; Principal Investigator (NePsyASSIP, S-IAT, & ASSIP flex);
 ASSIP co-developer; clinical psychotherapist (FSP)
 Address Translational Research Center, University Hospital of Psychiatry and
 Psychotherapy, Bern (UPD)
 Outpatient Department
 Murtenstrasse 21, CH-3010 Bern, Switzerland
 Tel.: ++41 (0) 31 632 88 11, Fax: ++41 (0) 31 632 89 50
 Email anja.gysin-maillart@unibe.ch
 ORCID ID: <https://orcid.org/0000-0003-1990-5582>
 Web: https://www.upd.unibe.ch/gysin_maillart_anja
www.assip.ch; www.assip.org
 Nationality Swiss
 Date of Birth 01.02.1977
 Marital status married
 Children two daughters
 Languages German, English, French, Spanish

RESEARCH INTERESTS

Suicide Prevention • ASSIP (Attempted Suicide Short Intervention Program) • Psychotherapy • Brief Intervention, Outreach Elements • Neuropsychology

EDUCATION/TRAINING

2023 Habilitation. Venia docendi. Privatdozentin (PD). Medical Faculty of the University of Bern.
 2021-2022 EMDR (Eye Movement Desensitization and Reprocessing) Ausbildung. Level 1 und 2
 2021 Good Clinical Practice Training (GCP) for Social and Behavioral Research, Society of Behavioral Medicine (SBM)
 2021 Human Subjects Research – BASIC, Social-Behavioral-Educational (SBE) Foundations, CITI Program
 2021 Introduction to REDCap and CRF Design
 2017 Basics of University Didactics (3 days), University of Berne
 2016/2017 Problem Based Learning: Basic & Advanced
 2014 Clinical Investigators I: training course on basic GCP & clinical research
 Clinical Investigators II: training course on advances in GCP & clinical research
 2013-present Postdoctoral fellow: University Hospital of Psychiatry, Translational Research Center University Hospital of Psychiatry and Psychotherapy Bern (UPD) AG
 2006-2013 Doctorate Philosophiae (Ph.D.; Dr. phil.): University of Bern, Department Psychology, Title of doctoral thesis: *ASSIP - Attempted Suicide Short Intervention Program, an Evaluations Study (RCT)*.

- 2006-2013 Postgraduate training in cognitive-behavioral psychotherapy: Klaus-Grawe Institute, Bern/Zürich. Master of Advances Studies in Psychotherapy (MASPT Unibe)
- 1999-2005 Litentiata Philosophiae (lic. phil.; M.Sc.): University of Bern, Department of Psychology, Title of master thesis: *Perception and Induction of emotions during listening to music. Comparison between a depressive and a healthy group*

PROFESSIONAL EXPERIENCE

- 2019- present Visiting Lecturer at University of Lund (Sweden), Faculty of Medicine, Department of Clinical Sciences
- 2017- present Lecturer at University of Bern, Institute of Psychology
- 2017-present Visiting Lecturer at University of Leipzig (Germany), Department of Medical Psychology
- 2015- present Lecturer at University of Bern, Faculty of Medicine, University Hospital of Psychiatry (PBL&CST)
- 2014-present License for independent practice of the psychotherapeutic profession in the canton of Bern (practice permit)
- 2013- present Senior Psychologist of the ASSIP outpatient clinic, University Hospital of Psychiatry and Psychotherapy Bern (UPD) AG
- 2013- present Postdoctoral research fellow at University Hospital of Psychiatry and Psychotherapy Bern (UPD) AG
- 2007- 2013 Clinical Psychotherapist University Hospital of Psychiatry and Psychotherapy Bern (UPD)
- 2009-2013 Doctoral student at the Department of Psychology, University of Bern
- 2006-2007 Clinical Psychotherapist at the inpatient hospital of psychotherapy, St. Urban Luzern, Switzerland
- 2005 -2006 FSP (Federation of Swiss Psychologists) Assistance Project, 80%, Psychotherapeutic Day Clinic Department Bern (PTK)
- 2004-2007 Research assistant at the Department of Psychiatry and Psychotherapy, University of Bern, 30% Research project „ Monitoring of suicidal behavior in the agglomeration of Bern within the framework of the WHO/EURO Multicenter Study and Alliance against Depression"
- 2004 Psychology internship (diagnostics and therapy): Psychotherapy Day Clinic, University Hospital of Bern (PTK)
- 2002-2004 Teacher in the project "Brüggeboge", working with young people with behavioral problems.
- 2003-2004 Psychology internship (assessment, diagnostics, therapy): PASS program (UPD Bern), rehabilitation and reintegration into the free market.
- 2003 Psychopathology internship (diagnostics, therapy): University Hospital for Psychiatry and Psychotherapy Bern (acute ward, ward F2-first illnesses). Psychology internship: Child and Adolescent Psychiatry, University of Bern
- 2002-2011 Assistant: 2nd-6thAeschi Conference. *Understanding and Interviewing the Suicidal Patient (2002; Switzerland); Attempted Suicide: Towards New and Better Therapies (2004; Switzerland); Effective Treatments for Suicidal*

Individuals: What are the Common Pathways (2006, Switzerland); To Hospitalize or Not to Hospitalize? (2009); Patient-Oriented concepts of Suicide: Trauma and Suicide (2011)

- 2000-2004 Waitress (part-time) in the Arcady Bar, 4-star hotel, Schweizerhof Bern.
- 2000-2003 Language teacher and translation work at the Bénédict School in Bern (German, Spanish, French and English)
- 1999-2000 Language teacher in Spanish, French, English and German
- 1999-2000 Waitress (part-time), „Entrécôte Café Fédéral“ Bern
- Work as a translator, Internet café, Santiago de Chile (South America)
- 1998-2000 Translation work, brochures, English/German
- gfs research institute (market research).

PROJECTS

- 2022-2026 How can we distinguish suicide ideators from suicide attempters? And how is this process modulated by an efficacious suicide-specific brief therapy? (Beitrag Nr.: 10001G_207822 / 1), funded by the Swiss National Fondation (SNF)
- 2021-2025 ASSIP Home Treatment: National Health Promotion Switzerland (1.5 Mio CHF) Deliver ASSIP to patient’s home (in Bern, Zürich, Lausanne, Neuchâtel). Increase awareness and knowledge of suicidal ideation and behavior among health care providers, improving the network and communication of multiple care givers
- 2019-present Mental pain: German evaluation of the Mee-Bunney Psychological Pain Assessment Scale [MBPPAS])
- 2018-present IAT-S study (KEK: 2019-01410): Adaption of the Implicit Association Test for Suicide Attempters. Measurement of implicit associations relevant to the suicidal process.
Research cooperation Leipzig, Prof. Dr. Heide Glaesmer, Universitätsklinikum Leipzig Germany.
- 2018-2020 Effect factors of suicide-specific treatment (ASSIP). Sense of self-efficacy and locus of control as effect factors of ASSIP (KEK No. 2019-00527)
- 2017-present NePsyASSIP (work in progress): How can we distinguish suicide ideators from suicide attempters? And how is this process modulated by an efficacious suicide-specific brief therapy?
- 2017-present Research cooperation: Replications study “Effectiveness of ASSIP in the US”, Zero Suicide in New York State.
- 2016-2020 Research cooperation, University of Rochester Medical Center: Suicidal adults with alcohol or drug use problems: A new hospital-based treatment. Research cooperation.
- 2015-2016 Pilot Study: NePsyASSIP, The influence of the brief therapy ASSIP on neuropsychological correlates.
- 2009-2014 Attempted Suicide Short Intervention Program, Randomized Controlled Trail, 2-years follow-up.
- 2002-2007 WHO / Euro-Study on suicidal behavior. The influence of media on suicidal behavior.

SUPERVISOR TO YOUNG SCIENTISTS

- 15 Master students David, Firnenburg, Franziska von Strauss, Giuliana Crippa, Milena Fischer, Ayha Scheidegger, Daria Knapp, Giuliana Stella Brogna, Rahel Jansen, Barbara Hummler, Janina Keller, Sarah Rindlisbacher, Remo Maillart, Benjamin Hofer, Leila Hostettler, Salome Bötschi
- 5 PhD Adriana Frei, Lara Aschenbrenner, Marie-Anna Sedlinská
co-supervisor: Switzerland, Marian Ring, University of Zürich; Lithuania, Jolanta Latakienė

FUNDING

(competitive)

- 18'851CHF Schweizerischer Nationalfond zur Förderung der wissenschaftlichen Forschung (SNF): Project «How can we distinguish suicide ideators from suicide attempts? And how is this process modulated by an efficacious suicide-specific brief therapy? (Beitrag Nr.: 10001G_207822/1, 2022).
- 466,018CHF How can we distinguish suicide ideators from suicide attempters? And how is this process modulated by an efficacious suicide-specific brief therapy? (Beitrag Nr.: 10001G_207822 / 1), funded by the Swiss National Fondation (SNF)
- 1,500,000CHF ASSIP Home Treatment, funded by the national Health Promotion of Switzerland (foerderrunde/ausgewaehlte-projekte/assip-home treatment.html)

(not competitive)

- 10,000CHF *Fondation Johanna Dürmüller-Boll*. Therapiemanual ASSIP (Attempted Suicide Short Intervention Program). Eine Kurztherapie nach Suizidversuch. Application for financial support for an English translation (Prof. Dr. med. Konrad Michel, Dr. phil. Anja Gysin-Maillart -co-applicant) (2015).

TRADEMARK PROTECTION

ASSIP® is a deposited and protected trademark (trademark no. 710930) at the Swiss Federal Institute of Intellectual Property.

REVIEWER ACTIVITIES FOR SCIENTIFIC JOURNALS

Frontiers of Psychiatry • Journal of Consulting and Clinical Psychology • BMC Psychiatry • FWF Austrian Science Fund • Psychiatry Research • Journal of Suicide and Life-Threatening Behavior

ACADEMIC TEACHING ACTIVITIES

Teaching at University of Bern, Department of Medicine and Department of Psychology • Problem based learning (PBL) • Clinical Skills Training (CST) • Teaching at University of Leipzig, Germany, Department of Medical Psychology and Medical Sociology • International and national teaching in "Suicide Risk Assessment and Alliance with the suicidal patient" • International and national teaching of the brief therapy ASSIP (Attempted Suicide Short Intervention Program)

SOCIETY MEMBERSHIPS

- Member of the Board of the Amber Foundation (Bermsteistifung) 2023-
Chair of Ipsilon Research group 2023-
Member of the Junior Faculty Association of the University of Bern 2016-

(Mittelbauvereinigung der Universität Bern -mvub)
American Psychological Association (APA) 2015-
American Association of Suicidology (AAS) 2014-
Föderation Schweizer Psychologen (FSP) 2013-
Netzwerk Wissenschaftliche Psychologie (NWP) 2013-
Member of the national Board of Ipsilon 20012-

AWARDS

Poster Award: Clinical Neuroscience Bern, 2017
Poster Award: Clinical Neuroscience Bern, 2017 • Poster Award: SGPP Bern, 2007
