

# Dr. Marialuisa Cavelti

University Hospital for Child and Adolescent Psychiatry and Psychotherapy, University of Bern

Bolligenstrasse 111, 3000 Bern 60, Switzerland

Phone: +41 (0)31 932 86 24

Email: marialuisa.cavelti@upd.unibe.ch

## Personal Information

DOB	05.12.1984
Citizenship	Swiss
Researcher ID	<a href="https://orcid.org/0000-0003-4726-396X">https://orcid.org/0000-0003-4726-396X</a>
Languages	German, English
Research interests	Auditory verbal hallucinations Psychological interventions Schizophrenia Borderline personality disorder Early detection and intervention for severe mental disorders Digital technology in the assessment and treatment of mental disorders

## Education

04/2019 – present	Advanced training in Dialectical Behavioral Therapy for Adolescents (DBT-A), Dachverband Dialektisch Behaviorale Therapie e.V.
11/2018	Academic teaching course („Basics der Hochschuldidaktik“), University of Bern, CH
11/2015	Good Clinical Practice (GCP) I + II, University of Bern, CH
11/2014	Psychotherapy license, Swiss Psychologists' Confederation (FSP)
04/2010 – 09/2014	Master in Advanced Studies in Psychotherapy (MASPT), University of Bern, CH (summa cum laude)
11/2008 – 10/2011	PhD in Psychology (Dr. phil.), University of Basel, CH, supervised by Professor Roland Vauth Doctoral thesis: <i>“The role of subjective appraisals of illness for psychological recovery from schizophrenia”</i> , defence on the 24 <sup>th</sup> of October 2011 (summa cum laude)
10/2003 – 06/2008	Studies in Psychology (M. Sc.), University of Basel, CH (insigni cum laude) Master thesis: <i>“The relationship between mood, craving, and nicotine consumption in the daily life of opioid addicted patients.”</i>
08/2008 – 11/2008	Clinical Training, Medical Department, Division of Psychosomatic Medicine, Charité, Berlin, DEU
11/2007 – 04/2008	Research Training, Women's Health Clinic, Division of Social and Psychosomatic Medicine, University Hospital, University of Basel, CH
07/2006 – 09/2006	Clinical Training, Cantonal Psychiatry Hospital Liestal, CH
02/2005 – 04/2005	Clinical Training, Clinic for Psychiatry and Psychotherapy Littenheid, CH

## Employment history

11/2018 – present	Senior researcher (80%), University Hospital for Child and Adolescent Psychiatry and Psychotherapy, University of Bern, CH, advisor Professor Michael Kaess
03/2016 – 10/2019	Honorary fellow, Centre for Youth Mental Health, Faculty of Medicine, Dentistry, and Health Sciences, University of Melbourne, AUS, advisor Professor Patrick McGorry
06/2016 – 06/2019	Honorary fellow, Melbourne School of Psychological Sciences, Faculty of Medicine, Dentistry, and Health Sciences, University of Melbourne, AUS, advisor Associate Professor Carol Hulbert
03/2016 – 08/2018	Postdoctoral research fellow, Orygen, The National Centre of Excellence in Youth Mental Health, Parkville VIC, AUS, advisor Professor Andrew Chanen

06/2013 – 10/2018	Clinical psychologist and researcher, Department of Psychotherapy and Translational Research Centre, University Hospital of Psychiatry and Psychotherapy, University of Bern, CH, advisors Professor Werner Strik and Professor Franz Moggi
06/2012 – 05/2013	Clinical psychologist, General Inpatient Ward and Day Unit, Cantonal Hospital of Psychiatry Solothurn, CH, advisor Professor Martin Hatzinger
01/2012 – 05/2012	Clinical psychologist, Outpatient Department for Psychosis and Transcultural Psychiatry, University Hospital of Psychiatry, University of Basel, CH, advisor Professor Roland Vauth
11/2008 – 10/2011	PhD position in the SNSF-funded project “ <i>Predicting engagement with community mental health services for chronic schizophrenia: Recovery orientation, insight or therapeutic bond – what’s most crucial?</i> ”, advisor Professor Roland Vauth
09/2006 – 06/2008	Research Tutorial Assistant, Department of Clinical Psychology and Psychotherapy, University of Basel, CH, advisor Professor Jürgen Margraf

### Approved research projects

#### Research projects

09/2017 – 08/2018	“ <i>Borderline personality disorder symptoms in youth as predictors of long-term forensic outcome</i> ”, funded by the Bangerter-Rhyner Stiftung (CHF 50’000) and the Janggen-Pöhn Stiftung (CHF 48’000)
03/2016 – 12/2018	“ <i>The cognitive underpinnings of auditory verbal hallucinations in young people with borderline personality disorder in comparison to those with first-episode psychosis</i> ”, funded by the SNSF (Early Postdoc Mobility; CHF 81’450), the Bangerter-Rhyner Stiftung (CHF 50’000; due to the SNSF regulations regarding additional funding, CHF 22’500 were accepted), and the Janggen-Pöhn Stiftung (CHF 48’000; due to the SNSF regulations regarding additional funding, the fellowship was declined)

#### Ethical approvals

09/2019 – present	“ <i>The neurocognitive underpinnings of instable interpersonal relationships in adolescents with borderline personality disorder features</i> ”, official co-applicant on the ethics application (main applicant: Professor Michael Kaess)
07/2015 – 02/2016	“ <i>Motive-oriented therapeutic relationship in the treatment of people with schizophrenia</i> ”, official co-applicant on the ethics application (main applicant: Dr. Stefan Westermann)
01/2015 – 02/2016	“ <i>Is thought disorder in schizophrenia a specific dysregulation in the language system?</i> ”, official co-applicant on the ethics amendment (change of principle and associate investigators; main applicant: A/Professor Philipp Homan)

### Supervision of junior researchers at graduate and postgraduate level

09/2019 – present	Co-supervision of a PhD student in Psychology (Nora Seiffert), University of Bern, CH
09/2014 – present	Supervision of master theses of students in Psychology (Chantal Hofstetter, Raphaela Tschümperlin, Vivien Gantenbein) and in Medicine (Lena Stalder), University of Bern, CH
03/2010 – 10/2011	Co-supervision of doctoral theses of students in Medicine (Giuliana Contin, Roman Vögelin), University of Basel, CH

### Teaching activities

09/2019 – present	Master students, block seminar “ <i>Early detection and intervention for borderline personality disorder</i> ”, Faculty of Psychology, University of Bern, CH
01/2019 – present	Master students, seminar “ <i>Borderline personality disorder in adolescence</i> ” for block students, Faculty of Medicine, University of Bern, CH
09/2014 – 12/2014	Seminar on plan analyses with Professor Franz Caspar, Faculty for Psychology, University of Bern, CH
10/2014 – 02/2016	Supervision of clinical psychologists (Beatrice Ritz, Sophie Hüsler, Hanta Bachofner, Andreu Granell), University Hospital of Psychiatry and Psychotherapy Bern, University of Bern, CH

### Memberships in panels, boards, etc., and individual scientific reviewing activities

09/2019 – present	Co-Section Editor with Professor Andrew Chanen and Professor Carla Sharp for <i>Current Opinion in Psychology</i> on the topic of “Personality Pathology: Developmental Aspects” (to be published in 2021)
2019 – present	Ad hoc reviewer for: British Journal of Clinical Psychology
2018 – present	Ad hoc reviewer for: British Journal of Psychiatry
2016 – present	Ad hoc reviewer for: Schizophrenia Bulletin Psychiatry Research
2015 – present	Ad hoc reviewer for: Journal of Mental Health Psychosis Journal of Affective Disorders Journal of Nervous and Mental Disease Cognitive Neuropsychiatry European Psychiatry

### Active memberships in scientific societies, fellowships in renowned academies

07/2019 – present	Early Career Hallucinations Research Group (ECHR)
07/2014 – present	Swiss Psychologists' Confederation (FSP)
07/2014 – present	Network for Scientific Psychotherapy (NWP)

### Organisation of conferences

None

### Prizes, awards, fellowships

06/2019	1 <sup>st</sup> poster award (“ <i>Auditory verbal hallucinations in youth with borderline personality disorder</i> ”), 18 <sup>th</sup> International Congress of the European Society for Child and Adolescent Psychiatry (ESCAP), Vienna, AUT
04/2019 – present	COMET career programme (CHF 1'000), University of Bern, CH
03/2010 – 10/2011	Mentoring program Women Into Industry (WIN), Cooperation of Novartis and University of Basel, CH
12/2003 – 12/2011	Swiss Study Foundation (SSF)
